A NOTE OF THANKS from Rev. Paul T. Stallsworth

Dear Lifewatch Friends:

Lenten grace and peace to you!

At the end of 2008, Lifewatch made known to you our pressing financial need. Since then, you have responded with gracious, uncommon generosity.

With heartfelt gratitude, I reply to you: Thank you! Because you have personally sacrificed—and only because you have personally sacrificed—Lifewatch can continue to serve the Gospel of Life within The United Methodist Church. Because you have faithfully given—and only because you have faithfully given—Lifewatch can persist in our ministry of loving truth-telling about the Gospel, human life and dignity, abortion, and human sexuality. Again, thank you!

Lifewatch is so thankful—to God and to you—for your partnership in this ministry of witness. Your continuing support frees Lifewatch to do what God calls us to do: witness to the Gospel of Life in a church and in a society that would rather not address the great challenges posed by what John Paul the Great called “the culture of death.”

We are thankful for you, for your faithful prayers, and for your on-going gifts to this ministry. With God’s help, may we continue to be faithful, to Christ and His Church, in all things.

In Christ,

(The Rev.) Paul T. Stallsworth
Pastor, St. Peter’s United Methodist Church, Morehead City, NC
President, Lifewatch
